

CAPABILITY STATEMENT

COMPANY OVERVIEW

Technology Consulting, Inc. (TCI) was formed in 1988 to provide information technology staffing services to a variety of clients. Our commitment to quality and customer satisfaction fueled our growth to approximately 150 employees. TCI concentrates on IT staffing and project delivery solutions across all technology platforms. TCI is registered with the Federal Government through Systems for Award Management (SAM) and our Cage Code is 3HE20. TCI holds the Small Business designation in SAM and holds a Top-Secret Facility Clearance.

CORE COMPETENCIES

TCI provides IT Staffing Services on a **Temporary, Temporary-to-Permanent, and Direct Hire basis** in the public sector to Federal, State, and Local government. For the Department of Defense, TCI provides IT staffing as a **subcontractor** to prime contractor companies such as Peraton, Leidos, L3 Harris Corporation, Veteran Information Technology, SAIC, and General Dynamics.

TCI also provides IT staffing resources to private sector companies throughout the U.S. in industries such as Healthcare, Transportation, Insurance, Finance, Energy, Utilities, Manufacturing, Retail and Consumer Goods.

TCI has the proven ability to deliver **IT Staffing Services** in a number of areas, including:

- Project Managers
- AI/Machine Learning Engineers
- Business Analysts
- Systems Analysts
- Database Administrators
- Programmer/Analysts
- Cloud Computing Engineers
- Cybersecurity Specialists
- Documentation Specialists
- Systems Administrators
- Network Administrators
- Network Engineers
- Video Conferencing Engineers
- Help Desk Support Specialists
